GROUP OF INSTITUTIONS
WE ARE
SOCIALLY RESPONSIBLE

WELCOME

On behalf of the Ebenezer Group of Institutions, we extend a warm welcome to you. At Ebenezer, our mission is to empower students through quality education, foster a spirit of innovation, and instill values of integrity, leadership, and service.

We take pride in offering a holistic learning environment that nurtures academic excellence while preparing students to face the challenges of a dynamic world with confidence and compassion. Together, let us work toward achieving your goals and creating a brighter, better future.

About Us

Our pioneering educational institutions have built an outstanding two-decade legacy of delivering exceptional knowledge that knows no limits. However, education without practical expertise holds little value or impact.

OUR VISION

Ebenezer aims to the centre of excellence education of socially responsible leaders and frontiers of our graduates.

OUR MISSION

- To withstand incredible examination results continuously.
- To meet outstanding placement and embryonic entrepreneurs.
- Leverage cutting edge of brand values and equity of the group of institutions.
- The prime magnetism of Ebenezer provides supreme education and character development, fostering socially responsible leaders and innovators of tomorrow

WHY CHOOSE US?

We offer world-class, globally recognized education with a conducive environment that enhances research and learning. Students gain hands-on experience through live projects with industry experts, along with opportunities for international workshops and industrial visits.

2024 Placements

Our training is not limited to the present day and age. We go beyond on-going circumstances to ensure that our students stand tough globally, creating a valuable impact in the future. We have a dedicated team which works towards placing our students in the best of openings; opportunities that will lead them to ultimate success.

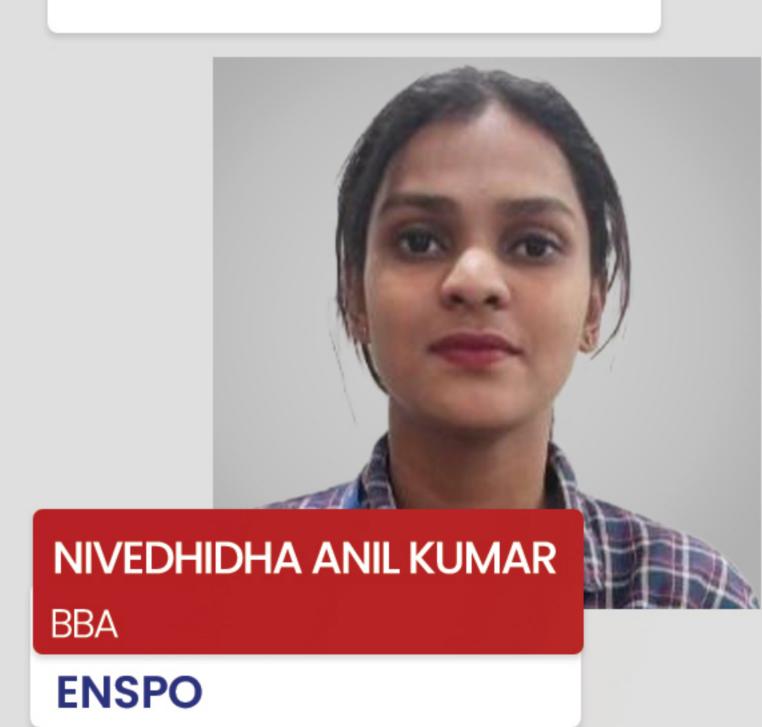

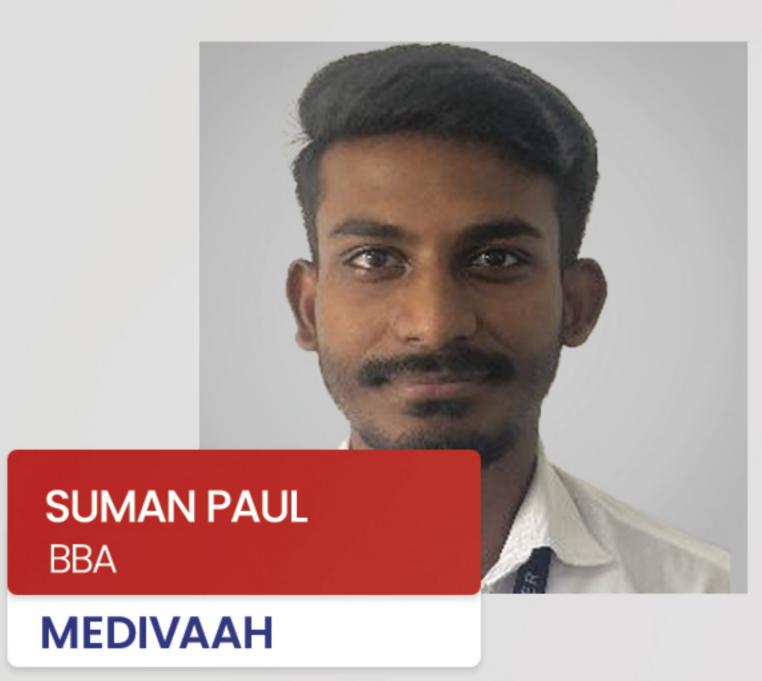

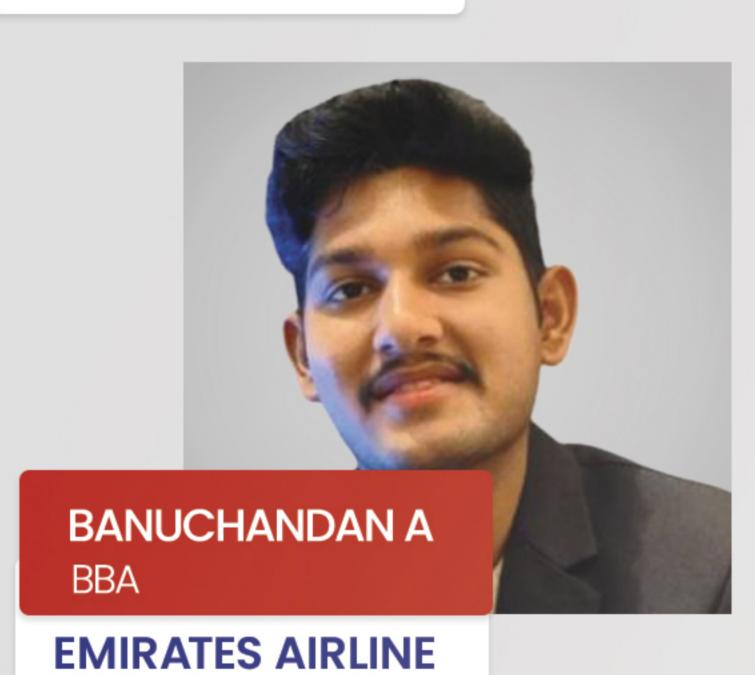

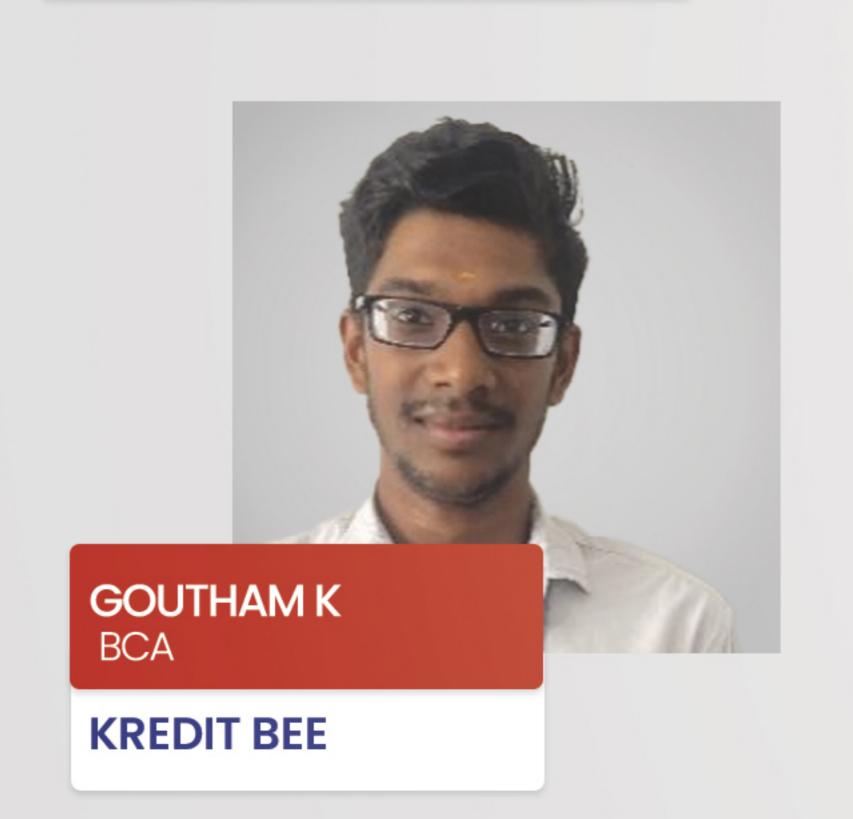

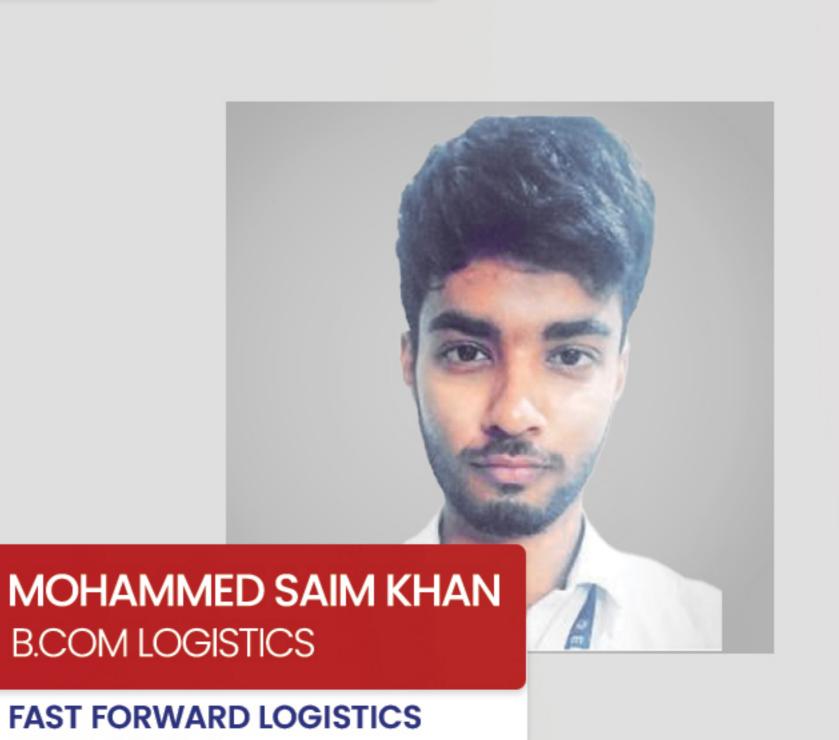

Knowledge With action converts

Adversity into prosperity.

DR. APJ Abdul Kalam

AVIATION & LOGISTICS

The Aviation and Logistics program offers a comprehensive understanding of airline operations, air traffic control, aviation maintenance, and logistics management. Students will gain expertise in both the aerospace industry and supply chain management, preparing them for diverse roles in aviation, transportation, and logistics. This unique program equips graduates to handle global trade and operations efficiently.

IT PROFESSIONAL PACK

The IT Professional Pack is your gateway to mastering in-demand technologies, including Artificial Intelligence, Cloud Computing, Ethical Hacking, and Cyber Security. Designed for aspiring tech professionals, this comprehensive program equips you with the expertise to innovate, protect, and lead in the ever-evolving digital landscape.

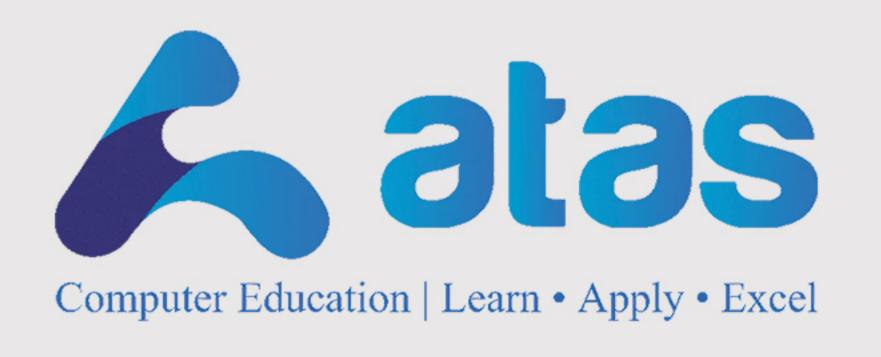

DIGITAL MARKETING

The Digital Marketing course equips students with essential skills in SEO, Social Media Marketing, Content Marketing, Email Marketing, PPC, and Analytics. Focusing on practical learning, students will master the tools and strategies needed to design, execute, and optimize digital campaigns. Graduates will be well-prepared to drive impactful marketing efforts across various platforms, meeting the demands of today's dynamic digital landscape.

OUR CLINICAL POSTING & PLACEMENT PARTNERS

WE ARE SOCIALLY RESPONSIBLE

Our facilities are designed to provide an immersive learning experience with realistic clinical rooms that offer hands-on practice. Equipped with the latest tools and technology, they help students develop clinical expertise in a safe environment without risking patient safety. The hospital-like setting allows students to practice decision-making and refine their clinical skills effectively

Our institution helps improve healthcare by studying how treatments work and affect people. Partnering with hospitals teach students to check if medicines, devices, or treatments are safe and effective. They also learn the basics of clinical trials, including planning, rules, and ethics, to prepare for healthcare research.

OTHER FEATURES OF NURSING COURSES

Our institution provides modern infrastructure with all the latest amenities for effective learning. Using innovative teaching methods, we prepare students for global competition. Experienced faculty ensure quality clinical training that combines theory with practice. Comfortable accommodation is available, with tasty food options to suit different preferences.

COLLEGE OF PHARMACY

AFFILIATED TO RGUHS AND APPROVED BY PCI

B.PHARMACY (BACHELOR OF PHARMACY)

Duration: 4 years

Eligibility: 10+2 PCMB/Bio Science

The degree is the basic prerequisite for registration to practice as a pharmacist in many countries. It's about understanding the properties and impacts of medicines and developing the skills required to counsel patients about their use. Pharmacists have the opportunity to improve health and even save lives.

D.PHARMACY (DIPLOMA IN PHARMACY)

Duration: 2 years

Eligibility: 10+2 PCMB/Bio Science

D. Pharmacy has been designed to prepare candidates to work under the supervision of a licensed pharmacist in hospitals, community pharmacies, and other related pharmaceutical fields.

Campus Life & Facilities

Our college offers excellent facilities to support both academic and personal growth.

- The hostel provides safe, comfortable rooms, healthy meals, and recreational areas, creating a community for students.
- The Chapel and Prayer Hall offer peaceful spaces for reflection and spiritual practice, welcoming all faiths.
- Our IT and Commerce Labs are equipped with the latest technology, allowing students to gain practical skills for their careers.
- The library has a wide range of books and digital resources, providing a quiet space for study and research.

These facilities help students thrive in their academic journey and personal development.
